

Event evaluation: NHS Scarborough and Ryedale CCG Annual General Meeting

Date: Tuesday 14 July 2015

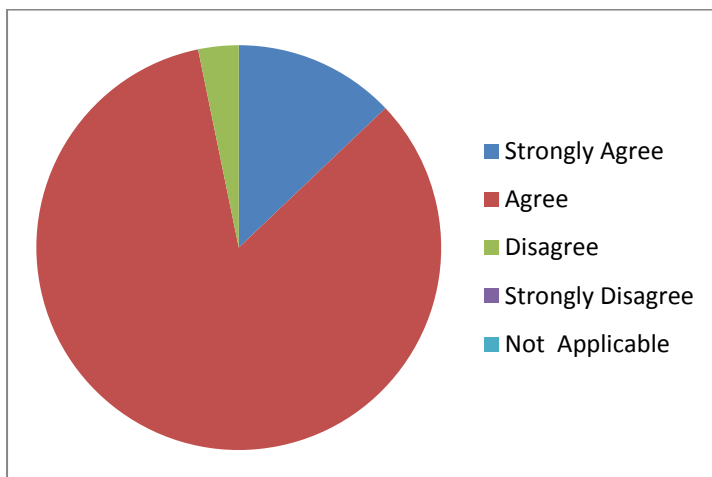

Venue: Scarborough Library

Structure: Presentations with interactive audience voting

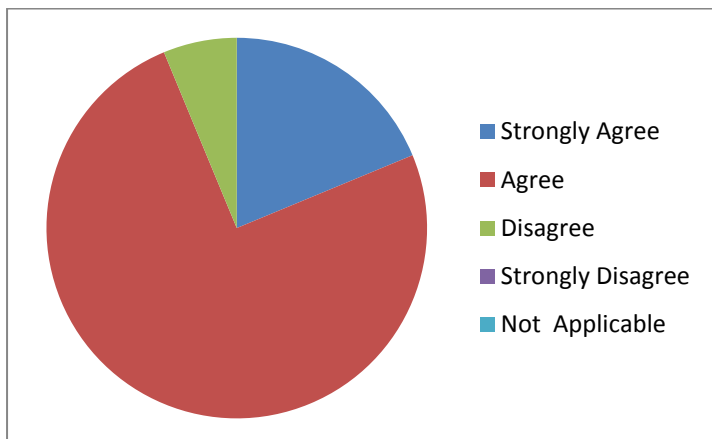

Total number of attendees: 44 (excluding CCG staff)

Total evaluation forms received: 32

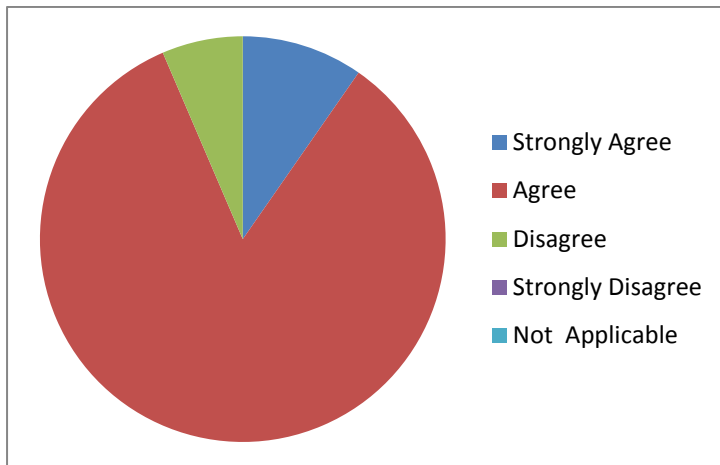

The issues discussed were relevant to me

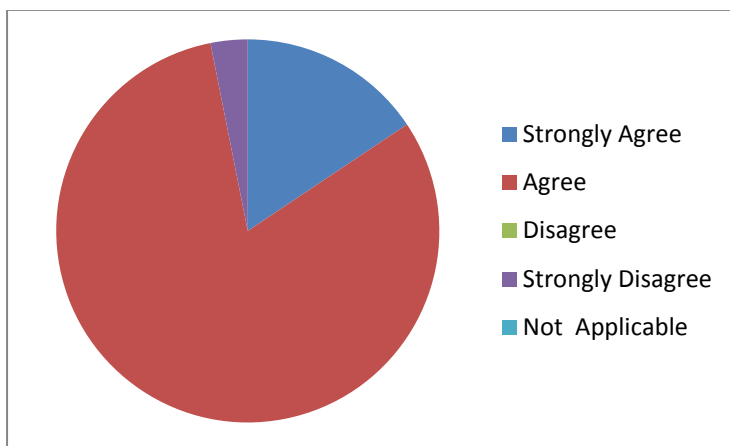

The session content was easy to understand

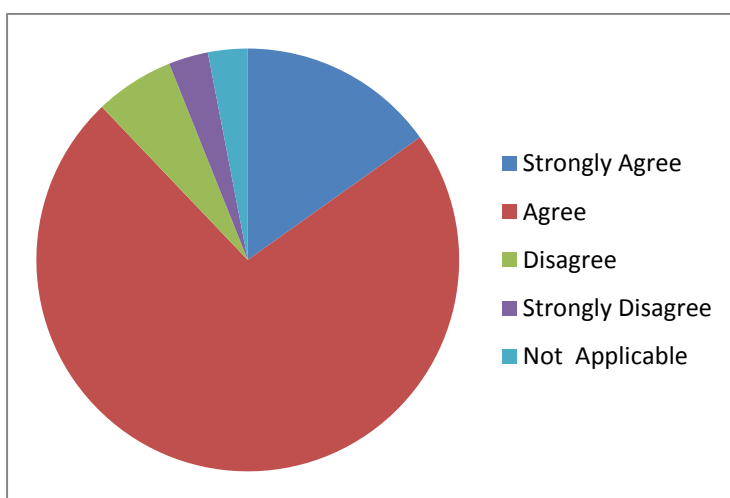

The length of the session was about right

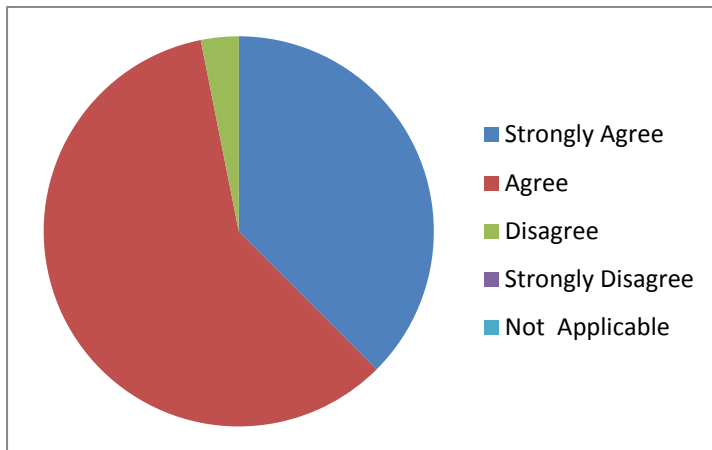

The way the session was delivered was appropriate

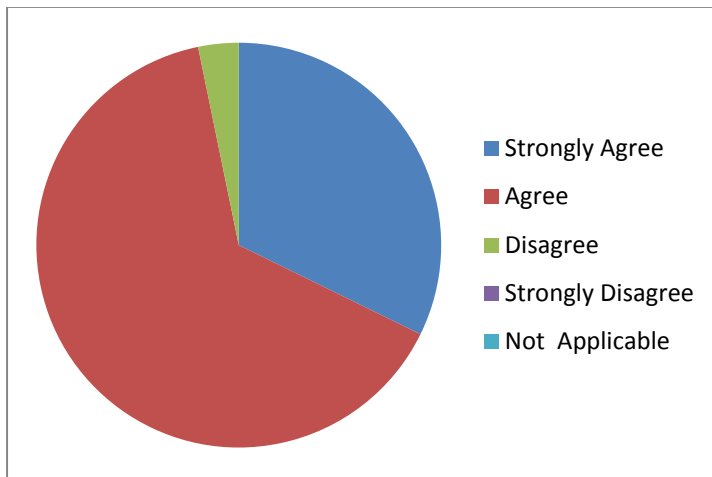

The session was what I expected

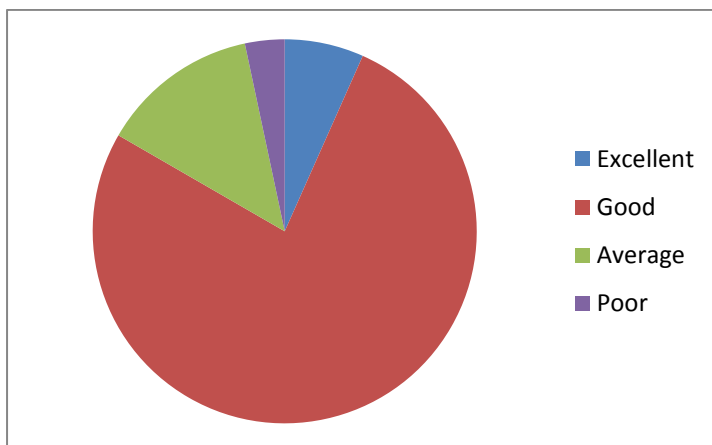

The venue was appropriate for my needs

I would be happy to attend future sessions

Overall rating

Additional comments

- A creative edge to the meeting, I liked the electronic voting
- As I'd travelled from York, some food would have been appreciated
- Presentations were short and understandable
- Less interactive questions needed
- At times it was a struggle to hear the speakers
- I asked a question and felt it was avoided
- Very informative but in some ways too general - more detail on future plans
- A good concise review of the year – would have liked more about goals for next year
- Financial section could have been simpler
- A venue with parking would be useful
