1 INTRODUCTION

Travel is an integral part of the work for many Scarborough and Ryedale Clinical Commissioning Group (CCG) staff and it is right that expenses incurred in travelling should be reimbursed.

Before travelling, employees should consider whether their journey is absolutely necessary and/or if they can car share.

Sections 17 & 18 of the Agenda for Change NHS Terms & Conditions of Service Handbook provides for the reimbursement of staff for mileage allowances and subsistence cost. To view the Agenda for Change NHS Terms & Conditions of Service Handbook go to the NHS Employers web site at www.nhsemployers.org and look for the terms of conditions handbook.

The purpose of this policy is to provide:

- A structured framework to claiming travel expenses
- Practical guidance to staff and managers on process and procedure
- Guidance to ensure that travel and expenses are claimed in a consistent, accurate and timely way
- Guidance on mileage allowance.

2 ENGAGEMENT

- Joint Trade Union Partnership Forum/Policy Development Group
- SRCCG staff via team meetings/team brief/internet

3 IMPACT ANALYSES

3.1 Equality

In applying this policy, the CCG will have due regard for the need to eliminate unlawful discrimination, promote equality of opportunity, and provide for good relations between people of diverse groups, in particular on the grounds of the following characteristics protected by the Equality Act (2010); age, disability, gender, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, and sexual orientation.

In developing this policy, an Equality Impact Analysis has been undertaken. As a result of performing the analysis, it is evident that a risk of discrimination exists and this risk has been removed by implementing the actions detailed within the *Action Planning* section of this document. No further actions are required at this stage. All staff are in receipt of the same travel and expense rates and we would expect employees to consider their own personal needs and plan so accordingly. However, if an employee is able to demonstrate that they have been unable to avoid an expense and it is related to a particular need, this will always be considered by their line manager and met with discretion. The Equality Impact Analysis is attached at Appendix 1.

The application of this policy will be monitored alongside recruitment monitoring data to ensure fair application.

3.2 Sustainability

The policy has been assessed against the CCG's Sustainability themes and no specific impact has been identified. The use of passenger rate encourages car sharing and there is also a mileage rate for pedal and motor cycle use. The Sustainability Impact Assessment is attached at Appendix 2.

3.3 Bribery Act 2010

The Bribery Act is particularly relevant to this policy. Under the Bribery Act it is a criminal offence to:

- Bribe another person by offering, promising or giving a financial or other advantage to induce them to perform improperly a relevant function or activity, or as a reward for already having done so; and
- Be bribed by another person by requesting, agreeing to receive or accepting a financial or other advantage with the intention that a relevant function or activity would then be performed improperly, or as a reward for having already done so.

These offences can be committed directly or by and through a third person and other related policies and documentation (as detailed on the CCG intranet) when considering whether to offer or accept gifts and hospitality and/or other incentives.

Anyone with concerns or reasonably held suspicions about potentially fraudulent activity or practice should refer to the Local Anti-Fraud and Corruption Policy and contact the Local Counter Fraud Specialist

4 SCOPE

This policy and procedure applies to employees on Agenda for Change terms and conditions.

5 POLICY PURPOSE & AIMS

The purpose of this policy and procedure is to outline the rules set out by the CCG for the reimbursement of travel and expenses that are necessarily incurred by any individual engaged on business approved by the organisation.

As a general principle, personal journeys to, and/or from work are not reimbursed.

The primary purpose of travel and subsistence allowances is to reimburse the necessary costs of meals, accommodation and travel arising as a result of official duties away from home.

The rates and conditions are, where appropriate, those set out in the relevant Terms and Conditions Handbooks, or otherwise agreed by the organisation.

This document is mandatory and applies to all staff on Agenda for Change Terms and Conditions and interview candidates.

Any abuse of this policy will be investigated and may result in disciplinary action being taken.

Travel and expenses claims are subject to Tax and National Insurance Liabilities. Further details and HM Revenue and Customs guide to personal taxable allowance and rates are available at: www.hmrc.gov.uk

- Applying this policy in a fair and equitable manner
- Sign off teams travel and subsistence claims.
- Ensuring appropriate records are kept in relation to this policy.

- Ensuring appropriate records are maintained on travel claims
- Employees must carefully consider their travel arrangements and apply this policy when arranging business travel
- Comply with the requirements set out within this policy

8 TRAVEL FOR BUSINESS PURPOSES

8.1 REASONABLE TRAVEL

Employees who are responsible for making decisions regarding business trips should take into consideration to the need to travel versus other options such as telephone/conference calls or video-conferencing, whilst ensuring the delivery of the CCG's business aims.

8.2 CAR SHARING

Members of staff are reminded, when reasonably practicable, to car share when attending the same meeting / training event or travelling to the same location for business purposes to reduce the environmental cost and the cost to the organisation.

9 TRAVEL EXPENSES

9.1 ELIGIBLE MILES

Staff will be reimbursed for miles travelled in the performance of their duties for the CCG which are in excess of the home to agreed work base return journey. Eligible miles are normally those travelled from the agreed work base and return. However when the journey starts at a location other than the agreed work base e.g. home, the eligible miles will be as set out in Appendix 1. Further information on reimbursement of travel costs can be found in Section 17 of the Agenda for Change Terms and Conditions and can be found at:

http://www.nhsemployers.org/~media/Employers/Documents/Pay%20and%20reward/AfC_tc_of_service_handbook_fb.pdf

9.2 CALCULATING PAYMENT

Expense claims must be made in accordance with the principles of this policy. An illustrated summary of the methodology to be applied is included at **Appendix 3**. Mileage must be calculated using the AA Route Planner and no other tool to ensure a consistent approach across all CCG expenses.

Employees may only claim mileage up to the shortest available route, rather than the quickest or most convenient, unless there are exceptional circumstances preventing the shortest route to be available, e.g. road works. Where this is the case, reasons for not undertaking the shortest available route must be recorded on the claim form under 'Details of Journey' so that this can be considered by the authorised manager before sign-off, and to ensure a full and complete audit is recorded.

9.3 CAR ALLOWANCE

All car mileage will be reimbursed at one of two Standard Rates for car drivers registered with the authority regardless of the vehicle size. The mileage rate is dependent on car usage (see Appendix 1).

9.4 RESERVE RATE

Any member of staff who does not register their vehicle with the CCG will be reimbursed at the Reserve Rate for any mileage claimed. The reserve rate is also implemented for specific reasons for travel such as – excess mileage due to NHS merger or organisational change, temporary moves or secondment.

9.5 LEASE CARS

For former NHS employer/organisation Lease Cars that transferred to a CCG on 1st April 2013 the mileage rate will be that at the point of transfer until the scheme expires. For Lease Cars from 1st April 2013 see the Agenda for Change Handbook.

9.6 MOTORCYCLE ALLOWANCE

Members of staff using a motorcycle for official journeys will be reimbursed a mileage rate as set out in the Agenda for Change Handbook.

9.7 PEDAL CYCLES

Members of staff using a pedal cycle for official journeys will be reimbursed a mileage rate as set out in the Agenda for Change Handbook.

9.8 PASSENGER RATE

When members of staff travel together on CCG business and separate claims would otherwise be made, the driver may claim a passenger allowance as set out in the Agenda for Change Handbook. The name and designation of all passengers must be shown on the claim form. Passenger allowance is not payable to lease car drivers.

The CCG encourages staff to car share on CCG business to reduce the amount of travel required and reduce the carbon footprint.

9.9 OTHER ALLOWANCES

Staff will be reimbursed the reasonable parking, garage, toll and ferry costs when on CCG business on production of a valid receipt. Park and Ride tickets will also be reimbursed, as this may be a more cost effective way of travelling to town centre meetings.

Managers will be expected to discuss and consider any request for a reasonable adjustment to allow an employee with a protected characteristic to be treated in a non-discriminatory way as a result of the application of this policy.

9.10 CALL OUT

Any member of staff called out to return to work following the normal completion of their shift will be paid at the Reserve Rate.

9.11 TRAINING COURSES/CONFERENCES/EVENTS

All employees attending manager approved training courses, conferences or events are eligible to claim mileage over and above home to work mileage on the Standard Rate. Course trainers providing training at a base other than their normal work base will claim mileage over and above home to work mileage on the rate that they are registered to receive.

Subject to the prior agreement of the manager, travel costs incurred when staff attend training courses or conferences and events, in circumstances when the attendance is not required by the CCG, will be reimbursed at the reserve rate.

E.g.

An employee who attends a training event at the request of their manager will claim travel costs at the standard rate

An employee who attends a training course for their own development and not required by the role will claim costs at the reserve rate

9.12 EXCESS MILEAGE

Where there is a compulsory requirement for an employee to change their base of work on a temporary or permanent basis e.g. a merger of NHS employers, acceptance of another post as an alternative to redundancy, change of work base, the employee may be reimbursed their extra daily travelling expenses for a period of four years from the date of transfer. Mileage will be reimbursed at the reserve rate or through the submission of receipts, the cost of public transport. The HR30, Excess Travel Authorisation Form is available on the intranet.

If a member of staff who is claiming excess travel subsequently moves home they must complete a new Excess Travel Agreement Form (HR30) in order that the new mileages may be calculated and adjusted accordingly. Refer to the Agenda for Change Handbook for further information.

9.13 BULKY EQUIPMENT

Where, at the requirement of the employer, an employee carries heavy or bulky equipment in a private car, an allowance will be paid for journeys on which the equipment is carried. (The equipment must be either of a weight that is unreasonable to be carried or alter the seating capacity of the vehicle). Refer to the Agenda for Change Handbook for current rates.

9.14 PUBLIC TRANSPORT

If an employee uses public transport for business purposes the cost of bus fares and standard rail fares will be reimbursed (unless it is proven cheaper to travel first class).

9.15 SUBSISTENCE

Any member of staff who is required to be away from home for business purposes may claim for additional costs that are incurred. Refer to the Agenda for Change Handbook Section 18 and Annex N within the Agenda for Changes Terms and Conditions handbook for current maximum reimbursement limits. Claims will be reimbursed on the basis of original receipts that must be attached to all claims. Copy receipts are acceptable, if agreed by the manager but these payments will be subject to income tax deductions. The organisation will not pay for the cost of any alcoholic beverages.

9.16 OVERNIGHT ACCOMMODATION

If a member of staff stays overnight in a hotel, or other similar accommodation, for business purposes that have been approved by their manager, the overnight costs, for bed and breakfast, will be reimbursed. In exceptional circumstances where accommodation is not available within the agreed limit, the employee should seek the most competitive rates and ensure that these are approved by the line manager prior to the expenditure being incurred. Any claims that exceed the agreed limit must be clearly noted to show that prior approval for the expenditure has been given. The cost of up to two further day time meals may be reimbursed in any 24 hours, up to the maximum of the appropriate meals allowance as detailed in the Agenda for Change Handbook at Section 18 and Annex N.

10 OTHER EXPENSES

10.1 EXPENSES OF CANDIDATE FOR APPOINTMENT

Agreement to pay candidates interview expenses must be approved with the recruiting manager prior to interview. The recruiting manager is responsible for informing candidates of the process and handling the associated internal administration. Candidates must complete a Travel and Expenses Claim Form and Registration Form in order to facilitate payment. Payments will be made by BACS through the payroll system, never by cash. Reimbursement of expenses shall not be made to employees who withdraw their application or refuse an offer of appointment. Please refer to the local CCG Recruitment and Selection Policy.

10.2 RELOCATION EXPENSES

Please refer to local CCG Relocation Assistance Policy and Procedure.

10.3 REIMBURSEMENT OF SUNDRY EXPENSES

In exceptional circumstances it may be necessary for a member of staff to purchase sundry items which may be required in order to carry out their duties. The budget manager must give prior approval for all such expenditure and original receipts must accompany the claim for reimbursement. The CCG would not expect sundry items to be purchased if they could be obtained through the normal purchasing procedure.

11 PROCEDURE

11.1 TRAVEL AND EXPENSES CLAIMS FORM SUBMISSION

All employees required to use their own vehicle for business purposes will have to provide the following documentation which will be copied and added to the employee's personal file. The documents must be kept up to date at all times.

- Driving Licence (paper and photo card)
- Car Insurance – including business
- Car Tax
- MOT
- Completed registration form

A registration form checklist for recording is available in Appendix 4.

11.2 METHODS OF PAYMENT

Expenses payments will be made monthly with salary payments. All completed claim forms should be submitted monthly, usually by the 4th working day of the month following the claim, to ensure payment in the next month's salary. Exceptions may occur to this so please refer to the payroll section on the intranet for dates. Payment will be withheld or delayed if the necessary documentation is not completed and appropriate procedures followed. It is the manager's/budget holder's responsibility to ensure that staff are made aware of the correct procedure to follow for the claiming of expenses. Refer to the intranet for claim submission deadlines and pay dates.

All claims should be made within 3 months of the expense taking place. Failure to do so may result in the claim being forfeited. The Chief Financial Officer will make a decision based on the facts available and their decision shall be final.

The CCG is committed to reimbursing legitimate claims that meet the criteria within this policy for travel and expenses. Any claims found to have been falsified or inflated in any way will be investigated and may result in disciplinary action being taken.

11.3 CLAIM FORM

Expenses payments will only be authorised if they are submitted on the correct form and accompanied by original receipts (except for mileage). The claim form (HR9) is available on the intranet at <http://www.nyhcsu.org.uk/logica-mckesson>.

11.4 AUTHORISATION

Forms will only be accepted if the most direct route of travel is used. Only forms signed by an authorising manager will be accepted for payment. If the form is not signed it will be returned to the authorising manager, as will incorrectly completed forms.

11.5 EXEMPTIONS

There will be no reimbursement of:

- Parking fines
- Speeding fines
- A contribution towards vehicle running costs or additional personal motoring costs, (the mileage allowance is set at a level to include this).

The CCG forbids the use of handheld mobile phones whilst driving.

12 IMPLEMENTATION

- 12.1 This policy will be communicated to staff via team meetings/team brief and will be available for staff on the intranet.
- 12.2 Breaches of this policy may be investigated and may result in the matter being treated as a disciplinary offence under the CCGs disciplinary procedure.

13 TRAINING & AWARENESS

A copy of the policy will be available on the CCG intranet. Guidance and support will be provided to all Line Managers in the implementation and application of this policy upon request.

14 MONITORING & AUDIT

This Policy is subject to frequent review in line with Agenda for Change NHS Terms and Conditions of Service and in line with the publication of the AA Guides indicating motoring costs. Amendments to mileage allowances will only take place if rates increase or decrease by 5%.

The implementation of this policy will be audited at appropriate intervals by the eMBED Workforce Team and reported to the Governing Body.

15 POLICY REVIEW

- 15.1 The policy and procedure will be reviewed after 3 years for the CCG Governing Body in conjunction with Trade Union representatives. Where review is necessary due to legislative change, this will happen immediately.
