## **1 INTRODUCTION**

Scarborough and Ryedale Clinical Commissioning Group (the CCG) recognises that in order to recruit the most appropriate staff it may be necessary to offer assistance with the costs of relocating. This Policy describes the eligibility for assistance and the procedure to follow to gain approval for relocation assistance to be offered to a new employee.

- 1.1 Recruiting managers should decide prior to advertising whether relocation assistance will be offered to ensure that the procedure is applied fairly and equitably. Relocation assistance can only be offered with the approval of the appropriate budget holder/senior manager. The advertisement should clearly state that the successful applicant would be eligible to claim for relocation assistance should they meet the criteria, to ensure that this policy is used fully as an aid to attracting and recruiting staff.
- 1.2 Relocation assistance should be viewed as a benefit and a part of the overall remuneration package offered to the successful applicant.
- 1.3 Each post will be considered on its own merits and applicants will not be automatically entitled to relocation assistance.
- 1.4 If relocation assistance is not offered in the advertisement it will not be offered, unless there are exceptional circumstances and it is agreed with the appropriate budget holder.
- 1.5 This policy should be read in conjunction with [HM Revenue & Customs](#) (HMRC) regulations.

## **3 IMPACT ANALYSES**

### **3.1 Equality**

In applying this policy, the CCG will have due regard to the need to eliminate unlawful discrimination, promote equality of opportunity, and provide for good relations between people of diverse groups, in particular on the grounds of the following characteristics protected by the Equality Act (2010); age, disability, gender, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, and sexual orientation, in addition to offending background, trade union membership, or any other personal characteristic.

An Equality Impact Assessment has been completed for this policy and a specific risk has been identified. Higher costs of moving for disabled employees may be incurred and this should be considered on a case by case basis in accordance with the duty to consider reasonable adjustments for disabled employees (or potential employees). A copy of the Equality Impact Assessment is attached at Appendix 4.

### **3.2 Sustainability**

A Sustainability Impact Assessment has been completed for this policy and is attached at Appendix 5. This policy may have a positive impact in the reduction of

carbon emissions from road vehicles due to a possible reduction in miles travelled to work. No other specific impact has been identified.

### **3.3 Bribery Act 2010**

The Bribery Act is particularly relevant to this policy. Under the Bribery Act it is a criminal offence to:

- Bribe another person by offering, promising or giving a financial or other advantage to induce them to perform improperly a relevant function or activity, or as a reward for already having done so; and
- Be bribed by another person by requesting, agreeing to receive or accepting a financial or other advantage with the intention that a relevant function or activity would then be performed improperly, or as a reward for having already done so.

These offences can be committed directly or by and through a third person and other related policies and documentation (as detailed on the CCG intranet) when considering whether to offer or accept gifts and hospitality and/or other incentives.

Anyone with concerns or reasonably held suspicions about potentially fraudulent activity or practice should refer to the Local Anti-Fraud and Corruption Policy and contact the Local Counter Fraud Specialist.

## **4 SCOPE**

- 4.1 This policy will apply to all new appointments, transfers or promotions to the CCG.

## **5 POLICY PURPOSE & AIMS**

- 5.1 This policy aims to assist the CCG to recruit and retain staff as an employer of choice.

## **6 ROLES / RESPONSIBILITIES / DUTIES**

- 6.1 The recruiting manager must consider factors affecting the availability of suitable applicants and if they wish to offer relocation assistance they must state this on the advert template/approval form. Advice and guidance is available from the eMBED Workforce Team.

## **7 ELIGIBILITY CRITERIA**

- 7.1 To be eligible the applicant must move to a property within reasonable daily travelling distance of their base, which is deemed by the CCG to be within 20 miles of their base
- 7.2 There may be exceptional circumstances where applicants do not fulfil the eligibility criteria yet the recruiting manager wishes to offer relocation assistance. The recruiting manager must then seek authorisation from the appropriate budget holder/senior manager.
- 7.3 Applicants are not eligible for relocation assistance if any other member of their household has claimed expenses from another employer for the same property. However, there may be a possibility of sharing the costs with the other organisation.

## **8 LEVEL OF ASSISTANCE**

- 8.1 Relocation assistance will normally be paid to those who are eligible up to a maximum ceiling of £8,000. The level of assistance will depend on:

- the eligibility band within which the expenses fall (see below)
- budgetary constraints – a manager or workforce representative may specify a maximum amount to be allocated which may be less than that stated in the table below.

	Type of Move	Expense Maximum
<b>Band A</b>	Moves which do not involve the sale or purchase of a property	Up to £3,000
<b>Band B</b>	Sale of property only OR purchase of a property within the local area only	Up to £5,000
<b>Band C</b>	Sale of a property and also purchase of a property within the local area	Up to £8,000

8.2 The maximum amount to be claimed will be negotiated and agreed before the applicant commences employment with the CCG. The total amount to be paid should be justified in relation to labour market forces and this should be explicit and recorded by the recruiting manager.

## 9 COMPONENTS OF THE RELOCATION ASSISTANCE PACKAGE

The CCG anticipates that relocation assistance expenses reimbursed will normally fall within the categories which HMRC allows to be paid without a charge to tax. Additional information is available on the HMRC [website](#).

9.1 The relocation assistance package will consist of payments for reasonable expenses relating to the following components, up to the agreed maximum:

- the employee's sale of their current residence
- their purchase of a new residence
- transporting the employee's belongings to the new residence (cheapest of three quotes)
- associated travel and subsistence costs (see section 10)
- domestic goods for the new premises
- bridging loans

9.2 The relocation assistance claims must be deemed as reasonable by the recruiting manager and Workforce.

9.3 Invoices/bills should be paid by the applicant and expenses claimed retrospectively. All expenses reimbursed must be covered by original invoices/receipts.

## 10 TAX LIABILITY

10.1 Under current tax rules removal expenses will not normally be subject to PAYE as long as:

- the total payment is below £8,000
- payments are supported by original receipts
- payments are deemed to be reasonable.

10.2 To be eligible for tax relief removal expenses must be paid before the end of the tax year following the one in which the employee starts their new job. The Tax Office will consider extensions to the time limit if, for example, an employee has to delay moving to allow a child to complete school exams, or because they cannot sell their

old home within the time limit. In such cases it is the employee's responsibility to make the necessary arrangements with the Tax Office.

## **11 EMPLOYEES NOT MAKING A PERMANENT PURCHASE**

- 11.1 For an agreed fixed period, a manager may offer to reimburse particular expenses where the new employee proposes to make arrangements which do not involve purchasing a permanent property in the local area. Such expenses are subject to HMRC guidelines and may include reimbursement for temporary accommodation and continuing commitment costs incurred in their original property. Any such expenses will form part of the overall removal expenses package.

## **12 REIMBURSEMENT OF TRAVEL EXPENSES**

- 12.1 In exceptional circumstances travel expenses may be paid for a limited period of time (maximum 1 year) when there is a commitment to move, but the move is delayed. Any travel costs reimbursed will form part of the overall removal expenses package and will be paid at the reserve rate. Employees may be asked to provide relevant documentation supporting their claim. Refer to Agenda for Change Handbook for further information.

## **13 CONDITIONS**

- 13.1 The CCG is committed to reimbursing legitimate claims that meet the criteria within this policy for removal expenses. Any claims found to have been falsified or inflated in any way will be referred to the Local Counter Fraud Specialist/NHS Protect.
- 13.2 Any abuse of this policy will be investigated and may result in disciplinary action being taken.
- 13.3 Original receipts and invoices must be attached to any claims made in order for those claims to be processed, see Part 2 for procedure.
- 13.4 In view of the significant costs involved in providing relocation assistance any employee who resigns from their post within the first two years of commencing their appointment will be required to repay all or part of the money that they have received. The repayment would be based on 1/24 of the total amount paid by the CCG for each incomplete month within the first 24 months of employment.

The sum must be repaid to the CCG no later than the final day of employment and will be deducted from the final salary payment. (Should this be insufficient to cover the outstanding debt the employee will reimburse the CCG immediately by some other means acceptable to the CCG).

- 13.5 Should an employee have their contract terminated by the CCG (except on the grounds of Redundancy or Capability due to un-resolving Ill Health), they will be required to repay the whole amount of the financial support with no reduction.

## **14 IMPLEMENTATION**

- 14.1 This policy will be communicated to staff via team meetings/team brief and will be available for staff on the intranet. Support is available to all Line Managers in the implementation and application of this policy.
- 14.2 Breaches of this policy may be investigated and may result in the matter being treated as a disciplinary offence under the CCGs disciplinary procedure.

## **15 TRAINING & AWARENESS**

- 15.1 A copy of the policy will be available on the CCG intranet and support is available from the CSU Workforce Team. Training needs will be identified via the appraisal process and training needs analysis.

## **16 MONITORING & AUDIT**

- 16.1 The implementation of this policy will be audited on an annual basis by the CCG and reported to CCG Governing Body.

## **17 POLICY REVIEW**

- 17.1 The policy and procedure will be reviewed after 3 years for the CCG Governing Body in conjunction with Trade Union representatives. Where review is necessary due to legislative change, this will happen immediately.
